

SARTIRANA TEXTILE SHOW

Dear Friends and Kind Dealers,

We are proud to officially announce that 2019 edition of Sartirana Textile Show will take place in Turin at Promotrice delle Belle Arti – a renowned exhibition venue located in the very centre of Turin, into the Valentino Park.

We confirm you that:

- The show will maintain both its name and the international renowned brand. Therefore, this year will be - to all intents - the 15th edition of Sartirana Textile Show. Besides, because of the uniqueness of this year venue, we decided to call it “Special Edition”.
- The 2019 STS will take place at the end of October, from the 31st October to the 3rd of November 2019. Sartirana Textile Show will follow the antiques fair APART (23 – 27 October 2019), with which it will share part of the organisation, communication and advertising.
- STS falls on the same week as Artissima - a contemporary art exhibition of international relevance, which offers a number of events spread all over Turin.

The display area consists in 30 commercial booths and in some other spaces devoted to satellite events.

We think that STS 2019 represents a unique opportunity to improve the visibility of the textile art world, by reaching a larger public audience.

For these reasons, we trust in your cooperation to support this new challenge.

The main features of Sartirana Textile Show - Special Edition

BOOTHS AND COSTS

- Sartirana Textile Show will adopt the same exhibition layout as APART. Therefore, the booths cannot be modified, except by paying an extra charge at the expense of the applicant.
- Each booth will have a cost of approximately € 130 per square metre.

TIMING AND SUBSCRIPTIONS

We will send you the plan of the exhibition area within March, together with the available booths.

We invite you to communicate your will to participate, by sending us the pre-application that you find here attached. In this way we can help you identify the booth that can fit your needs at the best.

If this project meets your approval, we will formalise the project through an Application Form and the down payment of € 500, by mid April 2019.

Since this project need the formalization of our commitments, we will only consider Applications supplied with the down payment.

Trusting in a positive answer, we send you our best regards.

Alberto Boralevi, STS curator

Simone Furlan, STS organisator
